Subject: Stop Media Deregulation

Dear Representative,

I urge you and your colleagues in Congress to promote a diverse, balanced, and competitive media. Please stop the FCC rule change on June 2nd.

Our media is already becoming too vertically integrated and monopolized. Your job is to protect us from corporate monopolies! Do your job!

We allow media companies to use the airwaves in exchange for their assurance that they're serving the public interest, and it's the FCC's job to make sure that's so. Please hold the FCC to its mandate and oppose the rules change.

The public owns the airwaves- not corporations.

Sincerely,
Carissa Lenfert
